How the Halloween Progressive Party & Dinner Works

- If you received this newsletter, you are invited to attend the Party/Dinner.
- As you could see on the front page, the party progresses during the evening from place to place. Each host will provide some food and drink at their location. However they will need a dish or two from their guests. Therefore, decide if you want to help with appetizers or drinks, a dish to complement the meal, or dessert/snacks. Call the host you would like to help and let them know what you will bring.
- The association covers the expense of the main dish, soft drinks/water at the meal home. We will have a donation basket available at the Cannon home to help cover the cost of the party.
- This is a family friendly event; bring the kids. We'll send them home with plenty of sugar energy .
